“ *Our deepest sympathy to you Charlotte and your entire family. There was never another person in this world like Ray. Glen & I had a pickup that we asked Ray if he could cut a notch in the tailgate to accomodate a 5th wheel hitch. He looked at it and said ok. When it was finished, he told us to NEVER tell anyone who did it because he would never do another one! It turned out perfect as we knew it would because he was a perfectionist in all his work. Because I often saw him on the road, he always used to pull up beside me and say "lets race"! He knew I would give it a shot and he knew that I KNEW there was no way, no matter what I was driving. It became a sort of a ritual with us. Glen and I thought the world of Ray. May he Rest In Peace and hopefully him and my brother Charlie meet up once again and resume their long friendship. May God be with Charlotte and the entire family. With our love and deepest synpathy, Dorothy (Pullara) and Glen Caple*
