“ *Such sad news that Becky has passed. I met her through SRDA Chore Service and continued assisting her through the SRDA/ADRC office and always enjoyed my home visits with her. She never failed to offer a "sangwich" to me when I would visit her at lunch time. So sweet. I will miss her dearly and my deepest condolences go to her family. She will be missed!*

“ My sincere condolences to the Apodaca family. I'm blessed to have Becky as a dear friend, My sister Pat and I met Becky during our junior high school years, 65+ years ago. So many wonderful memories thru the years, we laughed, cried, prayed and enjoyed our journey of life. I'm grateful for her powerful prayers and comfort during my grieving process when I lost my spouse and sister. May you rest in peace, hita. JoJo Navarro

“ Today we have lost a very Great person. She gave to all and she shared the love she had for Jesus Christ. When would be at store and she would stop share Jesus Christ with all and she stop in the store and pray for anyone she could pray for.

She has been my dear friend since I was 14 yrs old and as she would say (she was my adopted mom when my mom passed away she said she adopted me as her Daughter) I have a lot of awesome loving memories of sister Becky I used to cut her hair and in October I gave her her last hair cut and she was such a awesome person. but she is Where she wanted to be.

She is home with her Savior and is waking thru heavens awesome sites. And most of all she was missing her momma and now she is there with her.

To all the Apodaca family I send my condolences and my love to you all.

Sister Becky will be missed very much by a lot of people she touched so many peoples lives. But now we celebrate with the Angles as she sits at the banquet table with the Lord Jesus Christ and all the saints that were there that gone before her.

Sister Becky I will miss you and our talks and laughter love you always. Becky Carrasco-Sanchez 🧡🌹
