“ I miss her so much mostly her cooking was so good. Worked til hands had blisters. She is in my heart even if in last days my illness kept me from being there for her. Even if others did not know we always were close. Tears fall for I miss her .

“ My mom was kind warm loving always put others before herself. Fav song was He will rise you up on eagles wings. She showed her faith in many ways. Her cross hard to bear but sure that she is in the light of god.
