Ricardo served in the US Army. After serving for the US Army, he received a welding certificate. He worked at Trane, County Market, a welder in California, and as a mechanic for his brother's service station. Talking with Uncle Roger he would agree that our dad was quite the character, but he was also a very giving man. He was also the Jokester of Jokes. Money and material things weren't important to him. His door was always open, and he enjoyed visiting with all of his family and friends. He also loved his Denver Broncos and Colorado Rockies. He loved working on cars in his younger days especially his Volkswagen. Closer to the end of his life, he gave everyone who tried to make him eat or do something he didn't want to do a run for their money especially his partner in crime and caretaker, Theresa Diaz. We would like to thank all of those who took part in his care such as his granddaughter, Valerie Archuleta, Deb, Stephanie, Shelby, and Faith. Also, thanks to Cappella Assisted Living, Park West, St. Mary Corwin, and Parkview. Service will be

livestreamed through Facebook and YouTube at Romero Family Funeral Home Pueblo. Full Obituary may be viewed and condolences left at www.romerofamilyfuneralhome.com. Military Burial will take place at Pikes Peak National Cemetery at a later time.
