“*Richard was a truly honest and true friend. He always said exactly what he ment, always in the best interest of who he was talking to. He was kind with everyone, and if he was your friend...it was for life. Jamie and family, the world needs more men like him. Being human we will grieve for his absence here, but we must remember he is in a better place, surrounded by loved ones gone before...AND he is no longer suffering. Remember also the blessed hope, we will see him again! We are praying God will surround you with His Perfect Peace, at this difficult time. Love, Mannon,Sandy,Tobi (and Patric) Lukehart.*
