“ *My love and prayers are with your family...*

While I did not know Richard personally, your dad (Irvin) spoke into my life frequently... I credit him with being one of the most influential people in my life, and helping me recover from some dark periods and journeys in life. He truly was a blessing to me and many others...

I have NO doubt that Richard was "forged" in the same way as Irvin, and as a result, Richard was an even greater blessing to many others, honoring your family to an even greater degree.

May God bless and be with you all, comforting you and strengthening you, while filling the voids in your hearts with love, life, and laughter!

*Kindest regards,
Jeff Yarberry*
