“ *My sincerest condolences to the family. Richard was a GREAT neighbor: on numerous occasions, he gave a helping hand to my mother who lived down the street from him. Over the years, she spoke highly of him. I had the pleasure of getting to know Richard in the last year. He always stopped to say hello and flash a smile if he was driving by, and he kept a watchful eye for his neighbors and their property. I am honored to have known him. He leaves us with good memories. Peace.*
