“ To one of my greatest and most cherished friends, it's hard for me to accept that you are gone and that I will never hear your voice again. You stopped being my friend years ago and became my brother and we shared a relationship only brothers can share; I will cherish it the rest of my life. I was with you until the end and I need to thank you for all the memories we shared. You helped make me a better referee and a better man. Farewell my brother may you rest in peace. Until we meet again, as the song says " go Rest high on that mountain, your work on earth is done"
Your bother and friend Jerry Pacheco. PS: If you see my sister and mom up there in heaven, please tell them I love them.
My deepest condolences to the family.
