“ My beautiful Rikki... I'm so blessed you came into our lives! There was never a dull moment having you around. I'll always remember how quiet you would be & then you'd pop out of no where & scare the h*** out of me! We'd just laugh our butts off. I know I didn't see you much once I moved from Pueblo but you & your beautiful kids never left my mind & prayers. This world was a better place having you in it. I'm still in disbelief I'll never see you again in this lifetime. I have so much love for you because you are & always will be one of my kids that I met & grew to love through my Anthony & Brandi. You were so close to our house on that fateful night. I don't understand any of this all I know is you're missed. Life just isn't fair sometimes because you had your whole life ahead of you, you're so young. Rest easy sweet girl. Love Deb
