“ I was a classmate of Bobby. He was such a great fun loving guy and he loved his family so much. I would visit with him when he would come to my work and it seemed like yesterday when we were in school 40 years before. He would brag and we would compare our stories about life and being a grandparent. He was so proud of them as well as his children and wife

My thoughts and prayers are with u and my you find comfort in knowing his great of a person he was and he will not be forgotten. God bless each of u and he will live on in each of u. May Gis give each of u the strength u may need in the days ahead. Always Betty Aragon
