“ I go way back to Risley days with Robert. He and I were the same grade and age. We always got along fine. I remember him at East High School as well. Robert was a good man. I'm sorry to hear of his passing.

“ Robert and I were friends in high school and worked together at the Kwikway store on Norwood. We both learned how to flip bottle caps by snapping our fingers with them in between the fingers with lessons from the Pepsi delivery man. We would have battles with them, flinging them at each other over the racks of merchandise, and sometimes innocent customers got caught in the crossfire. We had a lot of fun and I'll never forget that little laugh that Robert had. My condolences to his family.
