“ *Coach Martinez,*

You had all you wrestler's backs as you coached us along and encouraged us to give all these battles a shot. We also were able to see you take a shot at life, and live it you did. Well my friend, you executed like an olympian...truly impressive to see.

Thank you also for your spiritual encouragement as a confirmation sponsor. Many thanks.

“ *What a great man.
Coach Martinez impacted so many athletes, students, co-workers and friends. He had the ability to make people better no matter what capacity it was.
I am honored and fortunate to be one of the impacted.

“ *Bobby was one of the best. Always could count on him. He wore the Bulldog colors with pride. A fine coach, educator and most importantly a super guy.
