“ I miss you more and more everyday dad. I thank God he gave me those last 2 weeks to just have with you, just laughing ,crying, taking care of you and just listening to you be your crazy self with anyone who called you lol. You kept your sense of humor and your cussing up til the very last breath. You were so strong and weren't scared at all amd you madenl sure to let me know not to be either.Eventhough we argued and didn't always agree on everything I love you and miss you more than you could ever imagine. I will always be a daddy's girl for my whole life. I love you always Riblets. Destiny, Diego, Henry, Judy, Kaydence, Keyonni & Amari all love their Papa Ribbs. Until we see you again dad I'm so glad you are no longer suffering. Ps don't be giving everyone to hard of a time up there 🙏.
