

Robert Lee Montoya

October 9, 1930 - May 4, 2016

Robert Montoya 85, our beloved husband, father, grandfather, and great grandfather was called home by our Lord May 4th 2016 at 1:50 P.M. He was born in Gilman, Colorado and raised in Lucero, New Mexico. He was born into a family of 12. As a child Robert was a sheepherder and attended high school in Las Vegas, New Mexico. Robert served in the Army and Korean War. He married Elizabeth Duran and together they had 4 children; Bobby, Patricia, Karen, and Michael all which were raised in Pueblo, Colorado. He loved his grandchildren and great grandchildren unconditionally. Robert retired from the Steel Mill and was also a skillful cabinetmaker, home builder, and woodworker. Throughout his life he enjoyed fishing, traveling, Cripple Creek, and his scratchies (lottery tickets.) Robert selflessly gave to his family! If you knew Robert well, you'd know he loved to agree to disagree, but according to him he was always right. Robert enjoyed his retirement, cooking the best fried potatoes, reclining in his chair and watching a good football game and western movies. Robert will be remembered by his generosity in volunteering his woodworking skills to family, friends and coworkers. . Per Robert's request a private service has taken place.
