Amy - I just heard about Rob's passing. I always smile when I think of Rob and how he helped lead our Girl Scout troop. I remember he loved to eat sardines with mustard. Fond memories <3 So sorry for your loss.

“ *Bob was the kind of Guy that you liked to be around, he was funny most of the times! Never seen him up set or mad! We'd meet up. In Las Vegas n.m. to visit and hang around together! He'll be missed by many, I know his 2 "mules" will miss him (his grandsons) that's what he referred to them as! They were his sunshine! I'll miss chatting and visiting with Bob! Ever new porche he bought he'd send me many pictures of it! Bob was a proud man and a good friend! He'll be missed!*

Bob was a good friend - As another Midwesterner, we worked together at a driving school, (In Denver area), back a number of years ago. We kept in touch a long time, then lost contact. I do know his grandkids were his pride and joy! I know he didn't like to be acknowledged for his yrs in the service, but we all appreciated his time that he gave to our country. I will miss you, buddy. You're probably riding one of your bikes up in Heaven right now... Jeanine

“ *Nan 1971, we called Bob (Broomitt). My memories of Bob are of a Likeable , good natured guy. After we returned home from Nam, Bob would drive many miles to come to a reunion. I was happy when he got his Porche. Rest now.*

“ *I have so many memories of Rob . Amy his daughter and I have been best friend's since the 1970's when they moved to Colorado. My best memories are when he would drop us off at the roller rink in his cool car! I would tell him to rev up the engine and he would! Rob was an American hero who spent his time fighting for our freedoms that we have today. Thank you for your service Rob. You will be sorely missed. My sisters and I love you very much. R.I.P.*
