“ Condolences to the Sprouse family. Bob was such a good man. I met him through Dalton many years ago and it was always a pleasure to see him at athletic events and the golf course. Our fondest memories of are whenever we met and spoke with him at athletic events at which he was taking excellent photographs. He will certainly be missed. RIP.

“ One of the finest persons I ever had the pleasure of knowing. Knew Bob since he was with the Post Office and worked with him at KID'N Country. Kind of guy that would bend over backward to help if he could. Got me a ticket to a meet and greet with Bill Clinton. Bill whipped out his sax and played along with Fleetwood Mac's 'Don't Stop Believing.' I think that was Bob's motto.
Sympathies to the family.
Your lose is Heaven's gain. Sprout those wings!

“ I am sorry to hear of Bob’s passing. I remember first meeting him at Roncalli where he delivered our mail. Later I would meet him again through his wonderful wife Lil, son Dalton and daughter in law Elizabeth and then again on the many athletic fields while he took absolutely stunning photos of athletes. You will be remembered by your love to family and our young athletes.
May you Rest in God’s Peace Bob
