“ Bobby was a friend, partner and while learning to act a "tree." We worked together on the old East side, Sand Creek, and later, partners in Major Crimes. Wherever you were, you had a smile on your face and kept us all laughing at ourselves for being so serious. I was disappointed when you left to pursue other adventures but was happy to learn that you excelled at working with kids. We lost touch and that was my fault for I saw that you were making headlines in Pueblo and was proud to see you excel. I'm sad for your family and friends that you won't be there in person to make us all laugh but knowing you, your spirit is there enjoying and smiling. Thank you for being a better man and a good cop. I'll miss you Bobby "V."

“ Bobby was the "Baby" in our 1989 academy. We all loved him. He was kind, funny and loyal.

“ I worked with Bob at the Sand Creek Division. He often provided everyone some comic relief with some stories or the way he would comment on something during shift briefings. He could make you laugh just with his laugh! On calls for service I recall that he was always kind and helpful. He was always a great team player.
