“ Bert I had a dream about you last night. It was about you working away in a classroom. You were printing out reviews for students. You were very happy and dressed very well. I worked with you a very long time. I am so sorry and sad for your passing. I remember you talking about your adventures with Ed. You are together now. Rest in peace my friend. I will never forget you. My deepest sympathy to John. Tommy, Lori and your grandkids. Love always Leona

“ *I extend my deepest sympathy to Roberta's family. Roberta was a great and fun friend, and we enjoyed each others company at Pueblo Catholic High. We attended many sporting and social events together. I remember Connie " Roberta's big sister ", sweet and very stylish in her Jansen sweaters. Of course, Roberta and I wanted to copy Connie. Roberta, Connie and their parents were always a warm and welcoming family. Roberta and I went our separate ways after high school, We would catch up with each other at our class reunions. May Roberta rest now in the peace of Christ for all eternity.*

“ So sorry to learn of Roberta's passing. My condolence to her family. As children, Roberta and her sister Connee and my brother J.J. and I spent a lot of time together as our parents were good friends. Many happy memories of those days. We also saw each other daily at St. Francis Xavier school although we were in different grades. In later years Roberta and I kept in touch by phone. I live in California. I was fortunate to visit with Roberta and Connee over lunch last year at the Klamm arranged by good friend and Klamm owner Isabel.
