“ I am Roland's friend, John Sal Ornelas, a schoolmate, in first through eighth grade at Saint Henry's Academy and La Salle High School. A true friend gave me a ride to La Salle HS each day, teamed with Roland on the Basketball team, let me come over to his house in the beautiful San Antonio King William Historic District, and yes, took me on his paper distribution route. We enjoyed trips to Piedras Negras in Mexico to meet family and dine at a fine restaurant named Moderno's where he introduced me to Margaritas, guacamole, and stakes. There was so much more that would bring us joy and fun. Yay, God Bless Roland and his new love partner Linda.
