“*Rosalee will always be remembered for her dedication and hard work to make our class reunions a success. She spent endless hours reaching out trying to locate classmates so they could receive information regarding our reunions. She participated and took a leadership role in the planning of many reunions until health issues restricted her activities. She and Marvin are now reunited once again. Those of us who knew Rosalee will always remember her as a loyal spirited Wilcat. She was true blue to the core. A genuine person blessed with a gentle sweet spirit. She and Marvin are reunited once again and may they rest in peace. A peace they both deserve.*

*Respectfully,
Lucille Paglione-Corsentino
