“ *This is Priscilla (Herrera) LaFebre, I want you all to know that Rozi was a very special friend when we were in high school. As we all went different directions with our busy lifes, we didn't see each other that much , but when we did, it was as if, we just picked up where we left off. She will be missed, but how beautiful to know we have another angel in heaven watching over us. You all are in my heart and prayers. God bless and help you through this difficult time.*
