

Rose Guerrero

May 24, 1930 - July 31, 2019

Rose Guerrero, 89, of Pueblo, went to be with the Lord on July 31, 2019. Rose was such a beautiful soul who had such a love and zest for life! She was dedicated and devoted to her loved ones. With having such a large family, she had little time for herself but you would never see her complain or grow tired of serving them. Her energy was endless. She loved cooking and socializing! She always seemed to have an open spot at the table for her children's friends, extended family members, and endless friends. Rose had an insurmountable love and loyalty for each of her children, grandchildren, great grandchildren, her siblings, many nieces and nephews, cousins and many friends who became family! She had an amazing knack for making each and every person she knew feel special! You'd walk away believing you were always her favorite! She was stern, had high morals and made you see the good in one another. Rose was incredibly funny and had a wonderful sense of humor, even right up to the end. She loved laughter and enjoyed making others laugh. With her sharp memory and wise words, she had many wonderful memories and great stories to tell. She had a positive impact on those she came in contact with. She spoke of gratitude and positivity and made sure you knew God was in control. No worries, that everything would be okay. Her faith was constant and comforting. Rose loved her Lord. Through her faith, loyalty and beauty for others, she embraced living life to its fullest, even in the hardest of times! She had a great outlook on life. One of the things Rose enjoyed most was to go shopping at many of her favorite stores and

dine at her most frequented restaurants. She loved making new friends and visiting her “friends” (staff and employees), and before you knew it they became family. She wanted to know their story and how she could make them feel loved. By doing so, she became very much known to her community! She took great pride in herself and never left the house without her makeup and her adorable hats! Yes, she was definitely known for her hats. She had confidence and looked like a million bucks! Her demeanor and sass demanded attention. She was a great force known to many and she was loved! Before Rose went to be with Our Heavenly Father, she wanted us to know that this wasn't the finality to her love and presence in our lives. She reassured us all that we lived in her heart and she would always be in ours. That we'd never be apart. “Forever and Forever and Always.” She will be greatly missed here on Earth. Until we meet again. Love you. Love you. Rose is survived by her children Ruthellen (Mark) Hernandez, Lee (Julianna) Guerrero, Keith (Tina) Guerrero, Loretta (Steve) May, Conrad Guerrero and Mindy (Ken) Moroskie; grandchildren and great grandchildren Conrad Guerrero, Abran and Lisa Guerrero (Emma & Blake), Ashley May (Jaelyn Rose, Ayan & Arrowlyn Rose), Arielle May and Oscar Segura (Kobe, Kaydin, Oakleigh & Ashtyn), Arika May (Maylin), Alexi and Cori Bonte, Austin and Teisha Guerrero (Ryker & Milo), Danielle Guerrero, Brandon Guerrero, Charlotte Miles, Aaron Guerrero, and Sayer Guerrero; siblings, Orley Romero, Mercy Maverick, Betty Purvis and Patricia Ann Romero; numerous nieces and nephews and extended family and friends. She is preceded in death by her husband, Jesus M. Guerrero; son Bert Anthony Guerrero and her parents, siblings and numerous family. “ Aunt Rose was always laughing when we would talk. Words of encouragement and praise for the accomplishments of me and my children. She definitely had some sass and spunk about her but it came from a place of love only wanting the best for others. Aunt Rose always found the right words to say when my grandson Vincent was dealing with a health crisis.

Her prayers and the well wishes of my cousins gave me hope for a positive outcome for Vincent's recovery and it worked. At least I believe it did help. Aunt Rose was kind to my mom the last days of her life and for that I loved and so appreciated her so much.

When I look up at the stars at night I like to think the stars are our loved ones shining down upon us letting us know they are still watching over us and they are ok. Now she is reunited with my dad, brothers, mom, uncles and grandparents. What a grand gathering of souls that must be. RIP auntie ❤️

“ *Last time I seen Auntie Rose was 10/31/2000 @Mt. Carmel Church. She was still the same pretty & vivacious lady even though I hadn't seen her in more than 20 years, she hadn't changed. Her distinct voice will always be something I'll always remember!* ”
