

Roxane Lamb

August 4, 1965 - October 20, 2022

Roxane Lamb, 57 of Rigby, Idaho passed away October 20, 2022 in Fountain, Colorado.

Roxane was born in Westerlo, New York August 4, 1965 to Donald and Harriet Bernard. She was the youngest of 7. Roxane's laugh, so many famous catchphrases, her dance moves, her unique style, and her hugs will never be forgotten.

She is preceded in death by her parents Donald and Harriet Bernard.

She is survived by her husband Steven Lamb, daughters Francesca Lugo

(Brandon) and Angelina Ramsay (Jacob), her three stepchildren Monte Lamb (Jody), Missy Hamblin (Shane), and Lacy Neff (Jared), 25 grand and great grandchildren; her siblings Monique Heslin, Valerie Trossbach (Paul), Georgi Diamond, Jeff Bernard, and Marcel Bernard, so many nieces and nephews, and countless friends.

Kate, thank you for sharing the gift of Roxane with me!!! From the second I met her until the last contact, I loved her and she showed so much love back. I am so grateful for every moment, every laugh, every memory with her. And you're both right. There never will be another one of either of you. Two of the most incredible people! Also, my heart goes out to Steve... if you're reading this, please know you are loved and we want to be here for you however we can! Love to all who loved, lost, but will never forget this angel!

“*You can shed tears that she is gone*

Or you can smile because she has lived

You can close your eyes and pray that she will come back

Or you can open your eyes and see all that she has left

Your heart can be empty because you can't see her

Or you can be full of the love that you shared”

Thank for all the love and laughs

Love Anna and Barrett

Until we meet again Gods speed

“ Some of my first memories of life are of this amazing lady. I idolized her and sat and watched her put her makeup on in awe before she went to school each morning. She had an abundance of love to give !!! I have a cherished memory of her playing my favorite game in the world , I was playing third and she was playing second and we turned a double play and she was so excited, I never realized how awesome that little moment would be all these years later. We weren't ready to say goodbye yet Aunt Roxy. ..

“ I'm so sorry. She was an amazing, funny woman. Always welcoming, and always had a great story. She was so kind to our family. She went out of her way to be there for my family when my dad Bill was sick. Really lost for words....

“ I know you will be missed dearly, by many. I was lucky enough to have known you. There are those people in life you never forget and you were definitely one of them. I take some comfort in knowing that you will live on through your amazing daughters and grandchildren with the love you shared and the example you gave. Rest peacefully Roxane.

“ The news of her passing saddened me to the core. Even though I have not seen her in years! When Abran saw her last year and said he had a really good time with her...made him laugh till his stomach hurt, I told him; I would love to see Roxanne again!, And he said mom she said the same thing! She's been on my mind ever since because I knew I wanted to connect with her again. What a huge reminder that life is short and can be taken very quickly and every single day matters to tell the people that you love, I love you!
