“ *I am heartbroken to know that Ruben is gone. He was a great man that always treated me like a son. I loved our conversations we had about hunting, fishing and camping. The last day I spent with him we shared pictures of elk, deer, elk hunts and camping spots. Ruben was one of the greatest men I ever met. When I die, pick me up in your truck at the gates in heaven so you can show me all the great hunting and fishing spots up there. Rocky Sandoval*
