“ Roni, you and your family are in our hearts and prayers. Rueben definitely touched the lives of many. I loved working with him at the Depot and of course Hunting, Fishing and playing golf. One of the fondest memories I have was bird hunting with him in Kansas and the other, was you asking me to roast him for his retirement party. He loved jokes, but most importantly he loved YOU, GOD, Family and friends.. May GOD give you peace, love and strength.
