“ Sending my condolences to the entire family. I know Sam will be so dearly missed. He had a huge heart and a great big personality to go along with it. My heart is heavy today as the memories bring tears and a smile at the same time. May the precious memories you all have hold you close today and in the years ahead; keep his spirit alive.

Sam, let your soul and spirit fly, you are free.

“ Sam was one of a kind and will ALLWAYS remember him for how respectful he was to me. we partied hard and had a lot of good times. As we got older we talked about our stupid times but we both would have never traded them. Rip Sammy
