

Sandra Sue Alexander

June 14, 1945 - February 1, 2022

Sandra Sue Alexander was born June 14, 1945, in Pueblo Colorado, to proud parents, William Cloyce and Audrey Marie (Sullivan) Curtis. She was called home from this life on February 1, 2022. She was greeted by her husband, David Lee Alexander; parents, William and Audrey Curtis; sister Sherry Lou Curtis; and many other family and friends. She is survived by her daughter, Nyoka "Niki" and son-in-law, Kenny Lewis; and many other family members and friends. Sandra and David married January 11, 1963. Together they lived a full marriage of love, excitement and joy. She retired a District #70 school bus driver after 28 years of service. She enjoyed working with the students. Every Christmas without fail, she would receive presents of thanks from the students. Yes, some were pranks. She enjoyed those and would get even in her fun and loving way. Sandy was an active member of LaVista Hills, Hillside and Riverside Saddle Clubs. This also includes Southern Colorado Horseman's Association. She held office of reporter for many of them. She rode in events, field judged, scheduled events and even put ribbons on messy calves tails. She enjoyed every minute of it. She didn't stop there. Hunting, fishing, camping, and 4-wheeling were among her other activities. Let's not forget wife, mother, sister, sister-in-law, aunt, friend and the list goes on. You can say she had a love for life. Sandy's compassion for other's made her shine. Her smile brightened up the room. Her shenanigans made you laugh. Most of all her heart gave you love. Until we see you again. Happy Trails Cowgirl. Special thanks to sister-in-law, Avanelle Gribble, nephews, James

Gribble & Brian Kirk and niece, Dianne Kirk. Funeral Service, 1:30 pm, Monday, February 21, 2021, Romero Family Funeral Home. Interment to follow, Mountain View Cemetery. Service may be viewed through Live stream on Facebook at Romero Family Funeral Home Pueblo and YouTube at Romero Family Funeral Home Pueblo.

“ My aunt Sandy always treated me as one of her own. When I got blood cancer, she understood my feelings as she was going through some of the same feelings with her condition. In December she told me good bye and I said, NO, so long, she shook her head, our eyes meet and knew it was our final good bye. I am glad we could that special moment together. Aunt Sandy ROP until we meet again.
