“ *Janie, it has been a month since you've been gone. I miss our daily mother in law and son in law battles. We miss your voice, smile, laughter, and direct orders. Not a day goes by that we dont smile and cry inside from your memory. Miss you Jane*

*You both were so funny together. I love how she would laugh at you while covering her mouth (because her teeth would move) haha and then she would wave her arm, "oh Jose!" She is truly a beautiful spirit. We miss her dearly!*

“ Mom, it's been almost a month since you went away. The pain is unbearable at times. I feel the emptiness daily. It's a pain that will never go away. I miss your warm hugs, gentle voice, and holding your tiny hands. You left so suddenly, I wasn't ready. I hope you know how much I loved you. You meant everything to me. I love you.

“ *My Dearest Auntie,  
I thought I saw your face today, in the sparkle of the sun, and then I heard The Angel say "Her work on Earth is Done."  
I thought I heard your voice today, and then your silly laugh. But then I heard The Angel say "She is at peace little one, at last."  
I thought I felt your touch today, in the breeze that rustled by. But then I heard The Angel say "Her Spirit will never die."  
I thought that you had left us, for all The Stars so far above. But then I heard The Angel say "She leaves her endless love."  
I thought about how much we will miss you and how we may never find our way. But then I heard The Angel say "She will be with you everyday!"*

*May you find peace in The Heavens Auntie. Please continue to shine your Beautiful Spirit upon me. I love you so much. Until we meet again. Your niece Tiffany*
