“ I am so sorry for the loss of cousin Sebedeo. I remember him visiting my parents in Chimayo when I was a kid. The family resemblance to Lillian and Dwight, who both spent a lot of time with us is strong!

May you cherish all the wonderful memories of Sebedeo and always keep him close.

With sympathy,  
Betty Romero Walker

*We are deeply sadden for the loss of your father and brother. Sebedeo was a joyful and friendly person very loving. He always had nice stories to share and his joking ability was a surprise, and his smile alone made you wonder what he was up to. A genuine loving soul, is what Sebedeo was. We will miss you very, very much. Last time we saw you, you and Olivia visited us, you said you will visit us soon, but you were not sure when due to you illness. We will not wait for you here in this world, but we will see each other some day. Rest in Peace dear Primo it is your time to catch up in some sleep.*
