“ My beautiful sister, we do not share blood but that makes me even luckier because I got to choose you, 29 yrs of memories, even tho we missed some time throughout the years physically, we never missed a happy birthday, happy holiday or a chance to make new memories, words can't even explain how much my heart hurts that you are gone, I'll see you when I get there my beautiful angel ❤️

“ I never met Serina; but I know Tony and if she was every bit as wonderful as he is then Heaven has most definitely added an incredible Soul into the mix. My continued prayers to Tony as well as everyone who is hurting from the loss of Serina. Have faith that you will be together again!!

“ *Serina was my very special friend. I met her in 2011 and we have been fast friends ever since. I looked forward to all our talks. No matter how bad she felt she always worried about how I was. I saw her fight through so many hard times and how strong she was over the years. I know that it was her time but I will miss her greatly. However, I am glad she is no longer in pain. Every woman dreams of a partner as devoted as Tony was to her. I pray for strength and comfort for Tony and their family. Heaven gained a wonderful angel! I miss her already!*

“ *Mom,
You are the most beautiful angel up there. Your kindness and love has kept your amazing light alive. You'll always be the biggest part of me-the reason I am the mother I am today. I will forever cherish the memories we made, the funny accents we would have, and the embarrassing Halloween story! I love you and I hope you're happy and healthy again ❤️*
