“ Shawn, we shared so many years, countless memories, and the greatest gift God ever gave us, our beautiful children, Santo and Gabriella. You also helped raise Chris with love and patience, and I will always be thankful for that. We've known each other for over 25 years, and through those years we built a life full of memories. I'll never forget us mountain biking up those steep hills, carrying them up three flights of stairs, or you teaching me how to play tennis, a joy I still carry with me today. We laughed, danced, fished, went to church together, and shared so many moments where we laughed until our stomachs hurt, those are memories I will treasure forever. Santo and Gabriella carry your smile, your spirit, and so much of who you were, I pray God surrounds them with His comfort and strength every day. His Word says He is near to the brokenhearted (Psalm 34:18), and I lean on that promise now. I entrust you to God's love, grace and mercy, and I pray His love covers all that only He can heal and redeem.
