“ My mom Christine Mckim and Sheila were friends from church. I spoke with Sheila after my mom passed away and she told me she would see my mom again in heaven. Little did I know it would be not too long before they were reunited and boy, what a reunion that was, I know heaven was really crazy that day. I have many, many fond memories of your mom. I wish you all peace and I hope that your precious memories you have of your mom bring you comfort during this time. Much love, Pam Mc Kim Huber.

“ Our Deepest Condolences go out to the family and friends of our “ dear and beloved” sister and friend! Sis Sheila was such a loving and caring person. She was always so concerned for others and did her very best to make sure they were getting what they needed ! She opened up her heart and home to so so many and did so unconditionally ! She funny, lighthearted, generous, carefree and a good person and friend..She truly “ loved” everyone she met!! Her ❤️ was so Big! Just remember all the fun times at her house, the delicious food, the spiritual word of encouragement and her making sure you were always included in every home meeting she had .. Ministering the word and making sure others were ministered to also was her sole mission !! She was the sweetest , loving and caring person We’ve known! I just remember always getting a kick out of her especially when the Holy Spirit was on her.. 🙌🏻🙌🏻 Remember going to the movie show and her and several others falling out under the “spirit “ and having to explain to all the concern people what was happening😭😭🙌🏻🙌🏻..But when she needed to correct you or give you a word 🙌🏻she didn’t hesitate. She will never be forgotten , her memory will always live on in the lives of those whom she touched, imparted and befriended! She will be dearly missed!! Our prayer and thought are with the family during this difficult time of loss .. May God love, grace and peace be upon you daily as you face the coming days, weeks, months and years! She safely in the arms of her Heavenly Father.. 🙏🙏🙏❤️❤️❤️ Cheryl, Vonda and the Blackwell Family
