“ It breaks my heart that you were taken so unexpectedly. You will always be in my heart, you were more of a sister than my niece. I know mom mom and your dad are with you now taking care of you. Love you, Darlene

“ I truly enjoyed working with Sheri! She always had a smile on her face and was always so kind!! I was new to Highland three years ago and she welcomed me with open arms. She was an amazing teacher!! What a huge loss for our district!!

“ Sheri, I will miss you so much. You loved life, but most of all you loved your family. When we talked you could hear the love and joy in you when you spoke of those grandbabies. Your smile would light up any room. Been that way for as long as I can remember. I love you and will miss our talks. We will see each other again my cousin.
