

Shirley Ann Bagby

September 16, 1931 - March 14, 2019

Shirley Ann Bagby, 87, passed away March 14th, 2019 in Pueblo, Colorado. She was preceded in death by her sons Steve C. Hoffman and Derry L. Hoffman; and her sister Sylvia Hughey. Shirley is survived by her grandson Damian Hoffman and his wife Beth; granddaughter Briana Hoffman; granddaughter Rebecca LaTour, her husband Zach and their children Holden and Paxton; as well as nieces Tina LePlatte and Chris Clampett, and their children. She had an extended family of friends both locally and across the country who will miss her dearly.

Shirley loved her family and friends beyond measure. Anyone who met Shirley recognized her as a special and beautiful lady and she touched many, many souls. She was strong, independent, and fearless. Her zest for life inspired all who knew her.

She was an incredibly kind and sweet person, who lived life to the fullest. Her sense of humor will never be forgotten. So many have fond memories of laughing and smiling with Shirley. She was thankful for each moment shared, whether a call, visit, or quick chat at the fence. Each was so precious to her.

She was a cowgirl through and through. While she didn't ride and camp as much in her later years, she never stopped blasting country music loud in her pickup and she never slowed down. She loved sweets, thrift stores, reading,

watching westerns, Sam Elliott and Alan Jackson (not necessarily in that order either). And she was gorgeous! Always looking her best no matter the occasion and radiated positivity wherever she went.

Her love for animals was a theme throughout her life. She won countless ribbons and trophies with several horses in her younger days and always had a pack of critters in her home. Shirley had a gift when it came to keeping a beautiful yard and flowers. Every home she made was so warm and inviting. She had such a special touch and made anyone who visited feel welcome and part of her family. Shirley was incredibly proud of her grandchildren and great grandchildren, who will miss her immensely.

While she was born and spent many years in Missouri, she loved Colorado immensely. She moved back to the Pueblo area a few years ago to reconnect with dear friends and enjoy the beautiful climate. She shared many stories of the fun times and adventures she undertook and made each moment count until her last breath.

At Shirley's Request Cremation has taken place with no services.

“ The first time I ever met Shirley I left an item in her purse because we had purses that looked alike and I thought I was putting it in my purse. You had to be there to appreciate the hilarity of our first meeting. I loved this woman like my sister. No wait! I don't have a sister. She was my sister by proxy.

“ I feel blessed that this crazy, beautiful lady came into our lives. I only had the opportunity to be with her a few times but, she welcomed my daughter, Beth, into her family and her heart without hesitation. She is certainly missed but never gone.
