“ When I hear of an extended family member passing, my mind overwhelms with memories tucked away long ago. The distance and years disappear. Camping, holiday get togethers, talking to uncle Billy while he was bent over the engine of a car before heading up to the trailer to spend time with Aunt Shirly to prepare for Melodies wedding. Aunt Shirley was always willing to pass on her many skills to me. Alas, many I could not master. Her patience was never faltering. Thank you Aunt Shirley for the memories and may you ever rest in the arms of the Lord.

“ *My Aunt Shirley was truly a nice lady. Always ready to help anyone. If all her accomplishments, I will always remember her for her pies... I know she rest in the arms of our Lord as a true and faithful servant. Love you Melodie, Shannon and all the family. Cousin Mickey*
