“ love you Aunt Stella, Muncho- Muncho, Muncho!! 🙏❤️😘
I'll always remember your love of flowers, because of you I have a beautiful flower garden from the flowers seeds you shared and the plants you bought me. I'll never forget our family vacations to your house. Your orange poppy's on the side of the house. But most of all because you showered us with many hugs and lots of kisses! I now make the sign of the cross on your forehead as you always did on everyone you love ❤️ I love you Aunt Stella God be with you.

“ Oh Auntie Stella. I will always cherish our summer trips to see you. I would love to listen to you and my Grandma talk for hours in your spanglish. I remember waking up early and going to the garage sales, and picking snap peas behind your apartment. Your loving raspy voice is forever engrained in my memory. I love you, muncho muncho and I hope you and grandma Mary are dancing your hearts out! -Tiffany
