“ Grandpo, I go to visit you & grandma and as I walk in and go up the stairs,I look over at your chair in the kitchen and don't see you. I say hi to everyone and as I'm stand there at the tops the stairs I'm trying to hear if your snoring in the room but I don't hear you. So then I go straight to the back door to see if your in the back yard and I still haven't found you at this point and I know your not bumming around in the truck because it's sitting out front... I go to grandma and look at her an as I get ready to ask her, "Hey grandma where's grandpo at?" I stop myself and my heart falls apart all over again, but I hold it in and smile and ask her "Hey grandma how are you?" ! I miss you grandpo
