“ I worked with Syble for a short time at Wesco in Pueblo. She was always kind to me and mentored me. She was prepping me to take on her job when she was ready to retire. Though I didn't stay there because I moved overseas, I will always remember her kindness and the work ethic she helped build in me. May she rest in peace.

“ Bill, Syble was such a beautiful woman, business savvy, and loving wife and mother. You know she is now at peace.

When I was elected to the state Senate, Syble took this 33 year old under her wing and volunteered to help me in my office at the state capitol. I had no idea what I was doing, but Syble came and helped me daily with returning calls, writing letters, filing, and getting me organized. She helped groom me to be a profession woman. Syble was an amazing help to me. Such kindness and grace. I'll never forget her generosity towards me.

Syble, be at peace. And God's blessings to Bill and your family.
