“ *Sylvia was the very first person I made friends with when I moved here to Colorado. I met her at Walmart. And her smile was so sweet and welcoming. I got a job there and had the pleasure to work with her and Tonia . Sylvia never saw the bad in anyone. And never spoke bad about anyone either. She was so loved by many. But not like her husband or family. They were so close and loved her so much. She well be greatly missed. an Angel on earth and now in heaven. May God help you fine peace and comfort.*
