I m Ann Ortega (Marquez) My good friend Kim is how I met her. Theresa was always a good role model for us girls and all her children. Very loving and stern to ensure you did your best in school. “ My mother loved flowers she would spend the whole summer planting them. Her favorite flower was red roses. We are asking for those who attend the funeral to please wear a floral pattern so she can see the field of flowers from heaven. Any flower pattern will do.
