Thomas Hugh DeYarman, 82, passed away on June 23, 2018 from complications of Congestive Heart Failure. Tom was preceded in death by his parents, Blaine and Lucille of Olds, Iowa and his brother, Ron. Tom was the oldest of five boys and is survived by his brothers, Bob (Geri), James and Gary (Jane) and numerous nieces, nephews and their children. He was married to Karin DeYarman for fifty-four wonderful years. They have three children, Jody DeYarman, Robert DeYarman and Connie (Kevin) Miller as well as one amazing grand daughter, Lily Kay Miller. Tom was also the Speech and Debate coach and spent many early mornings, late nights, weekends, and holidays mentoring students in the forensic arts. Tom was an incredible conversationalist knowledgeable in current events and was always interested in a lively discussion. He had a quick wit and fantastic timing and he loved a good (or bad) pun. He enjoyed spending his free time at home with his family reading, tending to his plants, and watching the birds that visited his yard. Tom was a beloved Husband, Father, Grandfather, Brother, Uncle, and Teacher. He will be greatly missed. At the Families Request No

“ *To the DeYarman Family,
Very simply, Mr. DeYarman was a nice and lovely man. He was my teacher in journalism (too) many years ago at East High School. Amazingly, while I always considered journalism a 'throw-away' class and often slept or paid little attention while in it, journalism became my career. I'm sure Mr. DeYarman would have been pleased.
I'm sorry for your family's loss. But take heart that it occurred on the day it did and not a day sooner. He deserved to be here as long as possible.
Again, I'm sorry for your loss. Mr. DeYarman was a good person.*
