“ *My son Zavier and Thomas was the closest friends. They considered each other brothers. They no longer lived in Pueblo together but spoke on a daily basis. I give to you all my hugs, prayers and love upon the passing of Thomas. I cannot count how many times he was in my house with Zay. May he rest in peace. He will be missed by my family.*

My forever memory of my grandson Tom tom, is his ability to make me feel loved; and his smile and Laughter was the light that could light up any room and heart. My time with him were not often, (living so far apart) but those few times will forever be etched in my heart. I loved it when he would say "love you Nana" because I knew he meant it. He was kind, funny and loved his family. He loved hard and just wanted to be surrounded by those he loved.

My heart felt Condolences to my Thomas, Bernadette, Danny, My Angel girl, and the whole family, for the loss of our amazing Tom tom. But I know if he could speak to us he would want everyone to love one another and that would make his life wish come true. He's laughter, smile and heart will forever live among his parents, siblings, Aunts, Uncle's, Cousin's, and all those who were blessed to have been part of his life.

I for one am blessed beyond words to have had my Hito, call me Nana. His smile and laughter is my greatest and best memory that I hold.

Praying for you all with all my heart.
