

Travis "Dabz" Elifritz

August 31, 1989 - February 27, 2019

Travis "Dabz" Elifritz was taken from us on February 27, 2019. Dabz is survived by his fiancé Natasha, his family Shaun, Chris and Jessica and his daughter, Alivia. He was preceded in death by his son, Gage. Dabz had a big heart and was always willing to help anyone who needed it. His reason was he knew how it felt to not have anyone or anything. He was a big kid at heart and just wanted to be loved. His genuine smile would light up a room and make everyone else smile. His dedication to his family was unmatched from throwing a birthday party at the last minute to driving to Texas on a few hours notice, he was there. Today we are all here for him. He is at peace now and will be looking down on all of us. He will forever be active.
