When i worked at convergy's, Valerie was my supervisor. And a nice and understanding one at that. You later became my friend. You have such a big heart, and a loving nature in you. I know your beautiful ways will forever live on through your children. God bless you Valerie. My heart aches for you, and for your family. Rest in peace. God bless you and your loved ones. Elaine

My thoughts and prayers go out to her children. Valerie was a kind and caring person and loved her babies with her whole heart. May the family be blessed during this difficult time.
