“ Momma Van was a special part of my life for a long time. Rose and I became friends in high school and mom invited me into their home as her own. She was so kind and loving....she gave the best hugs. She was so proud of her kids, especially while we were young. I remember her scolding us for getting into "malice" all the time, then she'd feed us. I have nothing but good memories of you moms. You will always hold a special place in my heart for welcoming me into your family. Love you and I'll see you in Heaven. Janelle T.
