“ I'm so sorry to hear of this. Vance showed an incredible kindness to me when I was just a kid. He sincerely showed me someone cared. That was a lot of years ago. Not too many people would have extended their heart to a kid. May he rest.

“ Vance was always smiling and didn't allow anyone around him to be down. Born to the Dearest friend a person could ever have, I know he is with her in Heaven and we will all rejoice together again, God be with and comfort Family and Friends. I loved Vance and will miss him.
