“ *Babe I miss you so much. You left way too soon. God must have had a plan for you but I just don't understand why so soon. He didn't even give any signs or warnings of you leaving. We miss you so much and will always have you in our hearts. I will be here taking care of our babies and helping them grow and will be with you one day again. Till then we will keep you in our hearts. We love you babe and Mama.* ”

“ Veronica had a wicked sense of humor & no matter how mad I would be with her at that moment for getting the best of me I would end up laughing right along side her. So let me share an example of what she did to me one evening.

*I was laying on the couch & she cane up to me and said "Mom are you tired" I replied "yes I am"*

*Veronica then said let me massage your head, she started at my temples, then eyebrows & so forth.*

*Long story short, the entire time I thought I was getting a relaxing massage, that brat was drawing THICK EYEBROWS, MUSTACHE & let's not forget the GOATEE on my face with a BLACK EYELINER PENCIL!!*

*I should of known something was up when she & her sister were laughing 😂 uncontrollably at me!! Couldn't be mad at her even if I tried too. I looked ridiculous hehe (photo isn't me just example)*
