“ My mom was the best mom i could have ever asked for, she left us too soon. But i know shes here watching us. A memory theres so little i remember considering i was 7 under but i remember one christmas she let me and my sister open one present early just cause she couldn't wait and it was a knitted stuffed animal inspired by monsters high. I cherished that thing for as long as I can remember. Or when her and I would jam out to justin bieber in the red truck. She was the best anyone could have asked for.

“ She was my mom I know that I am typing this 4 year after but I am hurting so much and I don't even know how I am not constantly breaking down. But a memory we had was us playing Frisbee a lot. She taught me hot to throw it and catch one so thank you mom! - Lanikai her oldest.
