Vic was a gentleman. I worked with him at Pueblo Regional Center and enjoyed our workplace interactions. He was always respectful and professional. Vic also dearly loved his family and spoke highly of them, with tenderness in his voice. I know his loved ones will really miss him!

*I first met Vic while in grade school. I would go to the old armory that was on Beulah and watch the older kids play basketball. As I got older I began playing in that old gym and became friends with Vic and George Hernandez. Vic always enjoyed working with the younger kids the most. He would spend time with us on Saturdays when the games were over and let us hang around play the game of basketball. Vic was a great friend and mentor to all of kids . God bless him and thank you.
