“ Victoria was such a bright and brilliant student and athlete at Central High School! She shined as a proud and successful Wildcat! I last saw her when she was nearing completion of her studies at CSU-Ft. Collins, on a visit there for the Alliance, and was, again, just in awe of the confident and strong young woman she had become! So very, very proud of her. She was a great leader and inspiration to so many of her friends and peers. In her short time among us, she achieved and accomplished so much, worked hard and honestly to get where she was, and touched so many, many lives and hearts of people. Some people live a century and never have the kind of impact a beautiful soul like Victoria has had. My love and deepest sympathy to her family and friends and may you find comfort and strength in sharing your love for Victoria and in the love she had for you.

Sincerely,
Lois Conatore-Houpe,
aka "Miss C" from Central High

“ *When I heard of your passing my heart filled with complete sadness. I will be forever thankful that our paths crossed in your middle school years as your softball coach. I remember our first softball meeting you were very shy, you barely even made eye contact with me for the 1st couple of weeks. As we had practices, games, and team get togethers your personality shined so bright, and your smile became contagious! I got to see you blossom into becoming a beautiful young lady. I knew you would become someone GREAT, and touch many lives along the way. Sending ALL my thoughts, love, and prayers to your family in this time of need. Rest in peace "V"*
